RED ONES COME LATER

BOARDS CERTIFY ADDITIONAL MEN

More Districts Complete Lists of Those Ready for Service.

The names in the lists given below are those of men who have been "certified for service" by their local examination and exemption boards as being duly qualified to enter the national army and who have not been exempted or discharged. Some of the men whose names figure in this tabulation have been notified and the others will be notified soon of their place of service.

Four men in District 108, with offices at Hester and Essex streets, whose names were printed in these lists a few days ago as called into service, in reality had their exemption claims accepted. They were Albert Feller, 160 W. 10th st.; John J. Murphy, 112 Christopher street; Salvadore Tacchini, 109 Eldridge street; and Nessus Vardi, Livingston street.
